ROTARY SCOOP

Program - Nov. 3rd

Annie Rinaldi

Mammoth Middle School Principal

**President
Linda Wright**

Rotarians – men and women alike – volunteer their efforts to improve the quality of life in their own communities and beyond. Through the work of individual Rotary clubs, and through the programs of Rotary International and The Rotary Foundation, Rotary is making the world a better place.

Mammoth Middle School principal, Annie Rinaldi, presented to the club about our local school programs. She comes to us from LA Unified and grew up in New York. She is bilingual and an inspiration to our students. We are so fortunate to have such leaders for our children. She also discussed the importance of voting YES on Measure S.
