ROTARY SCOOP

**President
Linda Wright**

Rotary International today is the world's largest service organization for business and professional people, with some 1.2 Million members operating in 168 countries world-wide. The world's clubs meet weekly, and every Rotarian has a right to attend any Club meeting anywhere in the world, so there is always somewhere to go, and people to meet, wherever business or leisure travel may take you.

Program - 13th EMILY SERNAKER Rotary International Scholar

Emily Sernaker came and spoke with our club about her experience as a Rotary International Ambassadorial Scholar in Dublin, Ireland. In her presentation Emily highlighted the cultural exchange and hospitality offered to her by the Irish people during her visit. She also spoke about her Equality Studies degree which she acquired through University College Dublin's School of Social Justice. Emily spoke about her interest in advocating for vulnerable women, and emphasized the tools her scholarship provided in making her a more effective development worker, public speaker, and writer. She will be eternally grateful to Rotary International for the opportunity to live and study in Ireland. Emily is currently a staff member at the San Diego Rescue Mission and is working on her first book.
