IMPACT OF REDISTRICTING - DISTRICT 4

We have two upcoming events that will be very interesting. The first is today's visit by our District Governor Woody Wilbanks. The second is a trip on Thursday October 11 to have lunch with the Yosemite club at the Ahwahnee. We are hoping to see a lot of Rotarians at both.

Bob Peters, chairman of last year's Mono County Redistricting Committee, spoke to the club about the redistricting and its impact on Mammoth Lakes. He shared data from prior elections showing how the voter split in District 4, the only Mammoth District still to be decided. The data from the county clerk showed that Mammoth has the power to decide the outcome of the election in District 4. He also noted that Mammoth had a low voter turnout in the June primary and that a similarly low turnout for the November election might deprive Mammoth of the ability to influence the outcome, and to influence the ultimate victor. The conclusion was that in local politics, each vote does count.

Let's keep Bea Tomko in our prayers. She will be having her right knee replaced.

We all love you and hope for a speedy recovery.
