ROTARY SCOOP

**President

PROGRAM September 27th Woody Wilbanks

DISTRICT GOVERNOR

Last week we had the honor to host our District Governor Woody Wilbanks and his wife Kim. They are a delightful couple and Woody is an inspiration - both in his life and his work in Rotary. They will be back for our November 3 Foundation Dinner and I hope our members will have the opportunity to speak more with Woody and Kim.

The road trip to the Yosemite Club and lunch at the Ahwhanee is on for October 11. We should be back by four. There will be a sign up list for carpools.

We are so fortunate to have such a genuine, inspirational Rotarian address our club. It makes me proud to be a Rotarian and see all that we can accomplish. Undertaking the job to eradicate Polio and create world wide peace in so many countries. It is an inspiration to continue to work on projects to improve our community and help out world wide. I believe we have many opportunities to work with this new district in a positive direction.

CLUB ACTIVITIES

Governor Woody recognized Sheryl Saari as an outstanding Rotarian of our club.

Great team work to clean out our locker and find “interesting items” to bring back memories of Rotary functions.

Glad you protected yourselves from the "Hanta Virus". Thanks Don

BOX TOPS

Check out the list of items below that have Box Tops on them. Just cut out the Box Top and turn in to Rotary at each meeting. Each Box Top is worth 10 cents. It adds up fast and most of the products you have in your cupboard.

Money is tight in our schools and we need our community to step up and help out where we can. I am pleased that our Interact Club is being pro-active to help make a difference in raising money for our schools.

The Interact students will be reaching out into the community to collect box tops to help support our schools. Each BoxTop brings in 10 cents or more to help with school funding.

Students will put boxes around town for citizens to deposit box tops to help out the schools. **If you would like to be a collection spot please contact Joanne for a container. 760-934-6643**
