

Join Us!

The Rotary Club of Peachtree City meets every Thursday at 12pm at The Loft at Due South (302 Clover Reach, Peachtree City, Georgia 30269). For those who wish to remain social ly distant, a Zoom link is available!

In preparation for Thanksgiving, members from both our club and the Peachtree City Rotaract Club volunteered to help Midwest Food Bank package 250 meals donated by Hello Fresh. The meals were distributed to families in need over the Thanksgiving holiday.

The Rotary Community Corps presented a \$3,500 check that was used to sponsor a service dog for 4-year-old George Buckner, who suffers from a variety of diagnoses, including Autism Spectrum Disorder. George is thrilled to finally have his “new best bud,” Bolt, and we couldn’t be happier for them.

– Our club was honored to host District Governor Kirk Driskell during the month of November! In addition to attending our weekly meeting, DG Driskell attended a fun filled evening of bowling, hosted by our Board of Directors.

Peachtree City

END IT

What a turn out! On Saturday, October 3rd, more than 50 Rotarians, Rotaractors, Interactors, and Cooper Lighting Solutions employees, extended family and friends came together to walk around Lake Peachtree. With sponsorships from both The Peachtree City Rotary Club and Cooper Lighting Solutions, we were able to raise more than \$7,500.00.

During the month of September, our club, along with The Peachtree City Rotaract Club, spent a beautiful Saturday morning over at the Real Life Center picking Muscadines.

Members of RCC, Rotary, Rotaract, and Interact all came together at Midwest Food Bank to help package shoeboxes for the United Way. Shoeboxes were filled with hygiene products for the United Way's Operation Shoebox project.

Throughout the week leading up to Thanksgiving, our club partnered with the students at McIntosh High School to give back to the community. The students at McIntosh raised \$436 to be put towards the purchase of gift cards for the Real Life Center. With a match from our club, we were able to purchase \$1,000 worth of gift cards! The Real Life Center will be distributing the gift cards throughout the holiday season to help those in need.
