

The Rotary Club of Peachtree City meets every Thursday at 12pm at The Loft at Due South (302 Clover Reach, Peachtree City, GA 30269). For those who wish to remain social distant, a Zoom link is available!

Peachtree City
Rotary

The Rotary Club of Peachtree City in partnership with Cooper Lighting Solutions and Herr Electric had the distinct honor of coordinating and participating in a project to support Wellspring Living. Through the generous donation of new LED lighting and the hours of work done by over 65 volunteers on February 27, we were able to make the lives of human trafficking victims a little bit safer and the facilities that support them much more sustainable. Our club also provided funding for a field trip for the teens active in the program to visit the Georgia Aquarium for the day while the work was being done. Special thanks to Dave McCleary—Founder, End Human Trafficking Now and Chairperson of Rotarian Action Group Against Slavery for joining us as well!

Thanks so much to everyone who participated in this awesome project!

The Peachtree City Rotary Club combined forces with the Interact Clubs at Starrs Mill & The Foundry School to donate 100+ items of much needed winter accessories. The I-58 Mission, Inc. is a 501(c)(3) Christian service agency formed to partner with the community to answer the call of Isaiah 58 to 1) set the oppressed free 2) share food 3) provide shelter 4) clothe those in need.

When Promise place needed help furnishing/providing basic essential needs to a domestic abuse survivor, they knew they could count on the Peachtree City Rotary Club and our commitment to being “People of Action.” Our club was able to quickly gather enough kitchen and living accessories to help Promise Place prepare a space for this survivor to relocate to and start the path forward to a new life. Pictured above is Shantana, the Volunteer Coordinator for Promise Place.

Happy Birthday, RCC!

RCC and Rotary celebrated 6 years on March 8 by doing a service project at Midwest Food Bank! Both clubs were able to donate \$500 each to MFB for the use of the facility and to further our pledge to #FightHunger! Thanks to District Governor, Kirk Driskell for joining us for the project, the celebration and a new member induction!

Please reach out to a Rotarian that has been a member for 5 years LESS than you or 5 years MORE than you to learn a little more about WHY they JOINED Rotary and WHY they STAY in Rotary.

The answers are likely to surprise you!

The first person each week to tell everyone about the 'new' member they have met will win a prize from President Steve!
