

Rotary Club of Peachtree City Elementary Grand Prix Race Series 2025-2026

The Rotary Club of Peachtree City, in cooperation with the PTC Running Club has created a series of races that provide the opportunity for both children and adults to participate in healthy events as well as raising much needed funds for our local elementary schools. In past years about \$100,000 was raised by the schools and the series of has become one more campaign in the fight against childhood obesity.

Please check the school and/or each race website to register as dates are subject to change.
