Why be a Sponsor? - Questions about the Rotary Club of Mill Creek's Annual Auction

What Is Rotary? Rotary is an international organization of more than one million business and professional men and women united worldwide, to provide humanitarian service, to encourage high ethical standards in all vocations, and to build goodwill and peace throughout the world.

Who is the Rotary Club of Mill Creek? The club was formed over 30 years ago and today consists of almost 50 members. Members come from all facets of the community and include local business people, clergy, and retired business/military persons. They all have one thing in common, a desire to perform service and give back to the local and worldwide community. See www.millcreekrotary.org for more information about the Rotary Club of Mill Creek.

Why an auction? Each year the members of the Rotary Club of Mill Creek hold one large fundraising event, the auction, to benefit the Mill Creek Rotary Foundation. The proceeds enable the club to fund all of its projects. Held each year, almost two hundred people attend the auction/dinner event. Since the club was formed, it has raised over one million dollars towards local and international projects!

What are some of the projects that the auction proceeds support? Here are some of the many past and ongoing projects and organizations supported by auction proceeds:
