

Joining the Rotary Club of Seattle

Professional Networking

A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of a community's owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfillment that comes from giving back to the community.

International Awareness

With more than 32,000 clubs in more than 200 countries and geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship

Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. Club members enjoy the camaraderie of like-minded professionals, and club projects offer additional opportunities to develop enduring friendships. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship

Weekly Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivate them to make a difference.

Leadership

Rotary is an organization of successful professionals. Team building, fundraising, public speaking, planning, organization, and communication are just a sampling of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others.

Ethical Environment

Encouraging high ethical standards in one's profession and respect for all worthy vocations has been a hallmark of Rotary since its earliest days. In their business and professional lives, Rotarians abide by The Four-Way Test:

Of the things we think, say or do:

- 1) Is it the **TRUTH**?
- 2) Is it **FAIR** to all concerned?
- 3) Will it **BUILD GOODWILL** and **BETTER FRIENDSHIPS**?
- 4) Will it be **BENEFICIAL** to all concerned?

Application Process Outline

1. All applicants are required to have a proposer who is a current member of the Rotary club of Seattle. Membership Type

Seattle Rotary offers three membership types. Please review the descriptions below as well as the financial obligations and indicate which membership type for which you are applying.

Membership Type: _____

Individual

The traditional Rotary membership. Individual members gain all the privileges, opportunities, and responsibilities that come with being a Rotarian. This is our most common membership type.

Corporate

In addition to the benefits of the individual membership, when a corporate member is not able to attend a Wednesday luncheon, any fellow organization executive can be sent in their stead for meal and attendance purposes – no advance notice, reservation or RSVP is required.

Young Rotary Leader (YRL)

The Young Rotary Leaders membership program is for those 35 and under who strive to become leaders in the years ahead. YRLs must demonstrate leadership in their profession, and meet all the qualifications of Rotary membership. Young Rotary Leaders pay reduced fees for their first five years of membership.

Financial Obligations of Membership

The fees shown are a requirement of membership. The initiation fee, dues and program plan will be billed upon acceptance. The Seattle Rotary Service Foundation (SRSF) annual giving is billed each fall.
