

Seattle City Rotaract

Meetings 1st and 3rd Thursdays.
5:30 pm
Perkins Coie Conference Rooms,
49th floor

About Rotaract

Seattle City Rotaract is made up of young professionals ages 21-30 in the Seattle Metro area who are interested in leadership, professional development, community service, and having fun. We're part of a global community of young adults taking action for positive change.

What we do

Serve our community

Rotaract members identify needs in our community and work to fill them, by proposing, planning, and carrying out ideas for service projects both here in the Puget Sound area and around the world. From sorting food with Rotary First Harvest to planting trees at Discovery Park and sorting textbooks to send to South Africa, we regularly participate in a wide variety of service projects. Have a cause you're passionate about? Tell us about it!

Build leadership and professional skills

Bi weekly meetings feature business and civic leaders as speakers, and the club hosts regular leadership and professional development workshops. Gain leadership skills by leading projects and planning events and fundraisers, and practice your public speaking skills at meetings. Ask us about joining the club leadership by taking a position on our board.

Seattle City Rotaract members can take advantage of the district mentorship program, and volunteer alongside members of our sponsor club, the Rotary Club Seattle #4, one of the largest Rotary clubs in the world, counting over 550 of Seattle's business and community leaders among its membership. Through these connections, Rotaractors meet, network with, and volunteer alongside some of the city's most influential professional leaders.

Connect with service-minded people worldwide

Seattle City Rotaract strives to be the "friendliest place in Seattle". Participating in Seattle City Rotaract meetings and events are a great way to meet and make friends with other young professionals who are dedicated to creating positive change in their community, while enjoying happy hour of course. Members also have the opportunity to attend Rotaract and Rotary conferences across the country and around the world. As a part of an international organization, no matter where you go, you'll always find Rotaractors and Rotarians to connect with there.

Join a movement of exceptional individuals who are using their
skills, talents, and energy to help others.
