

Calling all Seattle Rotarians To Serve as Hosts for “Winners for Life”

Wednesday, March 29th, 2017

11am-12pm Reception • 12-1:30pm Luncheon

Washington State Convention Center, 705 Pike Street

Reception Room 608-609 & Luncheon Ballroom 6C

Each year, the Rotary Club of Seattle honors high school students who have shown exceptional character in overcoming significant obstacles to remain in school.

Poverty, homelessness, substance abuse, domestic violence, teen pregnancy, and language and learning disabilities are just some of the challenges these kids have surmounted. These remarkable students are quietly building bright futures in difficult circumstances. They are our “Winners for Life.”

On Wednesday, March 29th, we need 40 Seattle Rotarians to each host a “Winner for Life” at the reception and regular Rotary luncheon. Rotary pays for the reception and meals of the Winner and their guest, and Winners receive a plaque, but **YOU** make the recognition more personal!

Are you interested in signing up? It's simple!
