Coffee Club

Where the world's
coffee community
takes on local flavor.

Community is at the heart of Caravan Coffee

I invite you to Hand Picked; a local coffee club where you will share in the story and experience of these wonderful and diverse coffee communities. As a Hand Picked member, you will gain preferential access to special coffees, complimentary tastings and invitations to special events at Caravan Coffee.

In 1990, I established a cafe as a meeting place for people to enjoy each other over a cup of coffee. As I moved into coffee sourcing and roasting I grew to appreciate (and in some cases become friends with) special coffee growing communities around the world.

Cheers,
Pete Miller
