Tom Burch, United States Marine, joined us today all the way from Vietnam. His experience and stories of near death encounters kept us all captivated. We understand that your return home from Vietnam included a suggestion of shame and disgrace, but we applaud you and your family for your sacrifice. On behalf of Bakersfield East Rotary Club, we thank you for bravely pursuing the goals and objectives established by our elected leaders and for fighting for our freedom.

When and why did you become a member of Rotary? I became a member of Rotary 4 years ago, mostly because Sandi Schwartz made me.

What is your classification with our club?
Hospital Giving Coordinator, I think

Family info: I have been married to Ryan for 21 years and we have two pretty fantastic teenage daughters. (Most people shake their heads in disbelief when I say that, but I am really just enjoying this phase of life with my girls right now!!)

Hobby/What you do for fun- For fun? I do things to embarrass my daughters, and often in front of their friends. I

absolutely love to travel and do so whenever I get the chance. I also really love to dance and sing in my car, so don't be surprised if you see me on the road rocking out to whatever music that I'm playing way too loud.

Anything that you would like to share: I'm really looking forward to the honor of being President of our club next year and I am so enjoying Christy lead us in really fun meetings this year. I'm hoping that I will be half as good as she is at the podium.
