Member's Spotlight - Bruce Keith

When and why did you become a member of Rotary?

I was sponsored into Rotary by Tom Larwood and Larry Radonovich was president.

What is your classification with our club?

My Classification is Architect – Residential because at the time I was invited into Rotary Bob Frapwell had the classification Architect-Commercial. In reality my office does over a hundred homes every year through our website theplanstore, net but I do only commercial work.

Family information.

I am married, 48 years, to Claudia, we have two sons, Matthew & Ross and a daughter, Juniper. Matthew works with me in my office and Ross is Facilities Supervisor for Golden Empire Transit. Matthew and Ross live on what we call "the Ranch" 2-1/2 acres on Taft Highway between Pumpkin Center & Panamá. They are the 4th generation to occupy the two historic adobe homes. The land has been owned by the family since 1890.

Hobby/What you do for fun?

My interests are as follows:

I love drawing and being an Architect, it's not a job it's who I am.

Claudia & I travel quite a bit because she is retired from teaching and she wants me to retire. We have a house in Santa Cruz and a trailer in Morro Bay. We love to hike & kayak, last fall we kayaked Mono Lake and several high sierra lakes. Several years ago, we traveled to Alaska in March to see the start of the Iditarod once. Last year we went to Fiji on a SCUBA diving trip. Who knows where we will go next.

I love my yoga practice which stated in 2003 when the program at BERC was given by a local yoga studio owner. Now 3 times a week and almost 15 years later I rely on my practice to keep me balanced and centered.
