Pictured below: The infamous Quon Louey

Guest speaker, Coach Tayler, shared with us that the last 2 years have been amazing for men's basketball (Go Runners!), starting with winning the NCAA championship 2 years ago. Last year, the CSUB Men's Basketball team won the WAC Championship and Coach feels strongly that they will have another great year. CSUB is committed to providing the resources necessary for young men and women to be able to achieve college education while enjoying the mental and physical benefits sports provide. Despite the fact that the facilities at CSUB need a lot of work, CSUB is still able to attract quality players from around the country. Tayler encourages us to all come out and support the team!

Quon Louey being presented with Dave Bass' suck up gift to President Christy, Iowa Ice and Iowa Snow, which happened to melt into blue and yellow, UCLA's colors. Quon shall present Madam President with a gift next week for his many recently missed meetings.

Member Spotlight with Michele Brown

When and why did you become a member of Rotary?

I was asked to join Rotary by my good friend, Susan Leedy. I initially joined for business reasons, but quickly realized that the benefits of being in Rotary are way beyond business. This became even more evident when I was diagnosed with cancer in 2005, that is when I realized that Rotary is part of my family. I received so much love and support, and it has continued through the years.

What is your classification with our club?

My Classification is Banking. I have been in banking for 40 years and currently manage the Union Bank office on Ming Ave.

Tell us about your family:

I have 2 wonderful children that I am extremely proud of. My daughter Kelsey who is a first grade teacher here in Bakersfield, and my son, Christopher lives in San Diego with my 2 Grandchildren Kaiden 12 and Arrow soon to be 2.

Hobby/What you do for fun: My hobbies include, cooking, sewing, reading and walking. I just finished my 10th Avon Walk for Breast Cancer in Santa Barbara, where I walked 27 miles, which again I couldn't do without the support of my Rotary Family.
