

BAKERSFIELD NORTH ROTARY

Welcome to the New Year! It's so good to have you back!

From the Desk of the Pres

Hello my fellow Rotarians.

It is so true, time flies when your having fun. I want to start by wishing BNR members, Greg “my sponsor” Bynum, Cathy “past president” Bennet, Dan “the man” Panero and Natalie “we miss you” Dyson, a happy birthday. I believe Cathy and Natalie are turning 29, Greg looks great for turning 40 and Dan, I believe, is turning 49. By the time many of you read this I will have a new right hip. I go in August 2nd God willing, and will miss our meeting on the 3rd but hope to be back on the 10th. Keep me in your prayers.

I want to thank all those who joined us for our 1st social in many months. We are hoping to be able to go shopping with our young friends at Standard School. School starts on Aug. 18th, I will give you an update as soon as I hear more information. Make sure to say hello to all your fellow Rotarians when you attend our meetings, you don't want to miss the “Mystery Greeter” Who is the mystery greeter this week?

In closing I want to welcome back Adam and encourage all of you to invite a prospective new member.

P.S. One club member should know exactly where David is.

Until next time

Keep pulling those corks.
