

Dear Friend of Cambria Rotary,

We again must postpone our annual Viva event for the second year, but hope you will instead contribute to our “Holiday Gifting and Giving Online Auction.”

Your support has been key to our success in raising funds for local and international causes, allowing our nonprofit to distribute thousands of dollars annually. In the last year alone, despite the difficulties of covid, we continued our commitment to special projects, local schools and charities. In some cases, we stepped up to do even more to meet the increase in need.

Please note the attached summary of our activities last year. We can only continue this work through your continued donations to our annual event.

You will be recognized by a link to YOUR website on the event website. And you will have the grateful appreciation from our club members for helping us do our work in the months ahead.

We will work hard to turn your donation into making a difference in the lives of people here in our community as well as around the world. From helping to purchase school supplies for needy families in our area to funding covid supplies in India and medical equipment in Mexico, our club has multiple projects.

We could not do this without your help.

May we have your support this year with a donation of your choice?

For more information and item pick-up, please give us a call at (805) 464-7920 or email us at VivaCambriaRotary@gmail.com.

Thank you from the Rotary Club of Cambria!
