

“Service Above Self”

Pastor Bloedel Ascends to Presidency

“Let us pray”

David Bloedel became the Rotary Club of Carpinteria's 36th president this past Tuesday evening. His induction capped off a night of celebration as the club honored outgoing President Dave Durlflinger, who frankly seemed relieved to be shed of it all.

David and Barbara Bloedel, all dressed up, at a happier moment (prior to taking charge of us)

David Bloedel accepts the Rotary gavel from now Past President, Dave Durlflinger, as Bob Hanrahan, who installed David, looks on.

David gave a short but passionate speech in keeping with Rotary's 2008-2009 theme "Make Dreams Real". David informed the

audience of just how proud he is to be a Rotarian and to be charged with leading our club in this upcoming year. He has placed his trust in the members of our club to Make Dreams Real. He then introduced his crack Board of Directors. (See analysis inside)

ROTARY MEETINGS IN JULY

THURSDAY, JULY 3

- Our speakers will be Lynda Lang, President of the Carpinteria Valley Chamber of Commerce and Pat Kistler, Director of Government Affairs.

THURSDAY, JULY 10

- Club Assembly – President Bloedel will present his board and outline his programs and direction for the year.

THURSDAY, JULY 17

- Our speaker will be Nathan Alley, Environmental Defense Center attorney. He will provide an overview of what the EDC does and touch on some high profile cases in process.

THURSDAY, JULY 24

- Our speaker will be our own Vocational Director, Paul Wright. He will speak on the beer brewing business in 2008

THURSDAY, JULY 31

- Our speaker will be Tim Robinson, UCSB Professor

- Greeter/Flag Pledge – Stella Anderson
- "Who Am I" spotlight – Harry Harper

THURSDAY, JULY 24

- Greeter/Flag Pledge – Andy Bailard
- "Who Am I" spotlight – Doralee Jacobson

THURSDAY, JULY 31

- Greeter/Flag Pledge – Terry Banks
- "Who Am I" spotlight – Tom Ligare

2008-2009 Board of Directors

Draft Day Analysis (By anonymous)

- **President: David Bloedel** – Should be a good one; has all the tools (time on his hands and a spouse who is willing to help) and is rumored to have the ear of those higher up (I mean really high up, if you get my drift).
- **Past President: Dave Durlfing** – Should be able to help. Certainly knows what not to do.
- **President-Elect: Tom Ligare** – Still clueless as to what he is in for, so is working hard. Let's hope he doesn't wise up.
- **Secretary: Ryan Nakasone** – Takes good notes and knows how to write. Owes the bulletin editor big-time.
- **Treasurer: Michael Ensign** – 2nd year at the same position. Should be able to help now that he's found the on/off switch on his computer.
- **Community Service: Wayne Evans** – Raw talent; young and eager; should be an asset now that he knows just what job he has been assigned.
- **Vocational Service: Paul Wright** – Really on a role with a series of awards over the past few years. If he disappoints, there is always the beer.
- **International Service: Bob Berkenmeier** – A valued veteran who can field just about any position. Has the ability to get the job done at any cost (hence, donations of candy to kids); judgement is sometimes clouded (think linguisa)
- **Club Service Administration: John Welty** – Willing to take on any task. Should be steered clear of the microphone.
- **Club Service Membership: Barry Enticknap** – Good luck kid!
- **Club Service Public Relation: Craig Murray** – Coming off a year as Secretary, so shouldn't have much trouble handling the work load here.
- **Youth Services New Generations: Terry Banks** – Knows kids; should be well rested after her performance as bulletin editor. :<)

Rotary Club of Carpinteria

Reflections from President David

As the Stepdown fun wound down the other night along with Dave Durflinger's wonderful year as president, and as I was being called up to the podium it dawned on me: "Yikes! This is it!" Suddenly I realized the reality behind a question Garrison Keilor asked on his *Prairie Home Companion* joke show --

Q: How does a blind parachutist know when

he is close to the ground? A: The line goes slack.

Well the line is slack and, ready or not, here we are ...grounded in a new Rotary year. Ready we are, however, for you will be served by a great team of leaders. Members of the 2008/2009 Board were announced at the Stepdown Dinner, but you will hear from each one personally at our July 10th Club Assembly what his or her hopes and dreams are for our club. They all have my deepest gratitude for the great deal of reflection and effort they have already put into making this another year of good Rotary service, fellowship and fun.

"Mr. Rotary of Carpinteria" Doc. Carty gave as his invocation for the Stepdown the theme of our new Rotary International President, D. K. Lee: *Make Dreams Real*. I can think of no greater blessing for our club than to be agents of making dreams real. Allow me to share with you the heart of President Lee's address to our Rotary world at the International Convention in Los Angeles on June 18:

"In the midst of my research on possible emphases (for my year as president) I came across a number. That number was 30,000 -- the number of children under the age of five who died every day from preventable causes...It was impossible, unthinkable, in the 21st century that 30,000 of our most precious children could be dying, needlessly, every day.

In the last few years, the number of deaths per day has already gone down to 26,000. I believe that part of the improvement has been through Rotary service in the areas of water, health and hunger, and literacy...We can do a great deal more.

In 2008-09 I will ask you all to *Make Dreams Real* for the world's children. This will be my challenge to all of you. We will *Make Dreams Real* by giving children hope and a chance at the future.

In every community there are children who need our help...And so it is our job to open our eyes to these needs, in our own communities and in communities far away." – D.K. Lee

Certainly we will be hearing more from our service chairs on how we can help *Make Dreams Real*, but let me introduce you to one new opportunity that will be before us each week. Every day 14,000 people become infected with AIDS. In Africa alone **25 million children** will be orphaned by the year 2010. Without help they also quickly become victims. Through Rotarians for Fighting AIDS project Orphan Rescue our club can provide daily nutritional support plus school fees, supplies and uniforms for one child for one year for just \$450. This program is overseen by Rotarians at every level. Here's how it will work: On each table at our weekly club meetings you will see a donation container for Orphan Rescue. You are not required to give, but, if you wish, you may choose to throw in some change, a buck or a few bucks when able. A special event or raffle drawing may be an opportunity to give more. Every time the fund grows to \$450 our club will sponsor a child. Hopefully this will be another way for us to *Make Dreams Real* for children.

The month of July brings us a few extra opportunities for Rotary fellowship, growth and service. On **July 13** District Governor Jane's Stepdown will be held from 1 to 4 at the Santa Ynez Marriott. On Saturday, **July 19**, we will have a **Basic PRLS** (Potential Rotary Leaders Seminar) class taught right here in our neighborhood at Montecito Union School. I would encourage every Rotarian to attend this basic class on the workings of Rotary. It is a required class before going on with the five levels of Master PERLS. The class starts at 8:30 AM (with continental breakfast available at 8 AM) and is finished by 4:00 PM. A \$50 fee covers the class, breakfast and lunch. For information visit www.PRLS.org and to register contact Richard Cameron at richardc@tcsn.net or 805-927-3083. At the end of the month we will join with other Group 8 Rotary Clubs (Carpinteria to Goleta) to decorate our **Fiesta Rotary Float**. Of course our own Carpinteria Avocado Festival is coming up the first week of October, so let's be thinking of how we can have a highly successful club presence. Your suggestions are welcomed.

Again I thank you for placing your trust in me to serve as club president. Now I shall return the favor and put my trust in you to do all we can together to make this a highly successful year of Rotary service, fellowship and fun. The parachute has landed; let's move on to *Make Dreams Real*.

Yours in Rotary Service,

David Bloedel

Rotary Club of Carpinteria

July Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
29	30	1	2	3 Rotary Meeting	4 Independence Day Flag Program	5
6	7	8 Brown Bag 7:30 AM	9	10 Rotary Meeting ASSEMBLY	11	12
13 District Gov Jane's step down	14 Board Mtg 12 Noon	15	16	17 Rotary Meeting	18	19 Basic PRLS Montecito
