A Community-Wide Fundraiser.....

A LITTLE HISTORY

The Annual Community Dinner was created by Gary Charlon. He wanted to create a community-wide fund-raiser for the non-profit groups in the Indian Wells Valley. In addition to being a fund-raiser for large and small community organizations, the event allows them to educate the public on the purpose and mission of their organizations. The non-profit groups are provided space for informational booths at no cost. Platinum and Gold sponsors of the event are also offered booth space.

PURPOSE OF THE EVENT

It is a community-wide event to help raise funds for our non-profit organizations. For many of our smaller non-profit groups, this event is their major fundraiser. A secondary benefit is the exposure the non-profit groups get by having a booth at the event to educate the community about their organization.

HOW IT WORKS

The Rotary Club of China Lake, as the host organization, gets sponsors to pay for the expenses; including food, facility and printing. The host organization also organizes the entertainment, solicits doorprizes and coordinates the publicity. The host organization does the heavy lifting and the non-profits just have to sell dinner tickets.

The non-profits keep all but \$1 from the sale of each dinner ticket. The \$1 per ticket policy was started to ensure a fairly accurate count for the meals and to make organizations accountable for the tickets they signed out. The host organization receives \$1 for every ticket sold and that money is put back into the event or used for local service projects.

HOW YOU CAN HELP
