6.0 PROGRAM / GUEST SPEAKER

Guest Speaker: Cat Lamorena and Lia Giglio from SEE International

Cat Lamorena and Lia Giglio from SEE International came and briefly spoke during the meeting. SEE International is the reason why Rotary goes to Mexico for the cataract surgeries. They are a nonprofit based in Goleta that have screened over 4 million people and have restored site to over 500,000 people. They in engage in sustainable practices by building strong relationships with other local doctors and training them to perform these surgeries themselves. Tonight our club donated \$1,500 to sponsor this amazing nonprofit!

Rotarian Speaker: Debbie, Fran and Jay speaking on their recent trip to Morelia, Mexico!

Debbie, Fran, and Jay spoke out their recent trip with SEE International to Mexico to help with the cataract surgery event! All three were incredibly moved and touched by the people they interacted with. There were 100 cataract surgeries performed over four days. 100% of the surgeries were successful! For Fran, she had her rotary "Aha" moment during this trip during her various interactions with the local people. Debbie was going back for her fourth year in a row and is always impressed and awed with the operations and the people. Jay was touched by a gift given to him of a doll made in the likeness of his granddaughter. A huge thank you to all of the Rotary club members who made this trip possible and provided site to 100 people and their families.
