2.0 ANNOUNCEMENTS & REMINDERS

Club News/District News:

- Saturday June 2nd, the Emerging Leader Symposium at Santa Barbara City College. The district is asking that each Rotary club send one member over 45 and one under 45. Please email Catherine catheremak@yahoo.com if you are interested in attending.
- 4th of July announcement- we need more volunteers! It takes about 100 volunteers to put on this event every year! If everyone recruited at least one other person, we would have almost all of the volunteer positions filled. Be sure to ask you friends and coworkers to sign up. In addition, we specifically need volunteers to help manage the fireworks.
- Instead of going to our Telegraph meeting, Stacy went to the Rotaract meeting and was able to get some volunteers to help with the fireworks. In addition, we are planning on doing one or two combined meetings next year in order to foster better

connections between the clubs.

- 4th of July Raffle tickets are still available. If you have a nonprofit that would like to sell tickets please send their contact info to Fran franeg@msn.com. Nonprofits keep half the proceeds of the tickets they sell. We are looking for someone to help Marty find Sponsorships -we need someone fast!!

No Rotary Minute this week.

5.0 Pay and Tell

- John has a crazy travel schedule for the next couple of weeks including: Huntsville, Alabama; Australia; Fort Wayne, Chicago, Indiana; Barcelona; a cruise in France; Italy; and Greece. He gave \$60. Bon Voyage!
- Sally gave \$34 to honor the life of her nephew who recently passed away at the age of 34. All of our best thoughts and prayers are with you during this hard time Sally. She then gave \$50 for a good trip that she had with her stepdaughter where they explored Virginia, North Carolina, New Jersey, and New York.
- Brooke gave \$10 because both himself and Scott cleaned out the Rotary container and found old photographs of club members from years ago.
- Marty turned 60 and gave \$60.
- Harold gave \$20 because during golf Stan got a net of 22.
- Dick gave \$20 to celebrate how lucky we are to live in Santa Barbara and to celebrate feeling recovered after a recent back surgery.
- Kindness Coin: John passed the coin along to David, his heart was touched after learning more about what our current president Catherine does. Sally passes along the kindness coin to Tony; during her recent trip to New York she took time out of her day to help several people use the subway as well as helped someone running behind cut her line so that she wouldn't be late.

6.0 PROGRAM / GUEST SPEAKER

Craft Talk: Ashley Rei from Decker's

Visit Our Website: www.rotaryclubofgoleta.org

Ashley Rei has been working at Decker's for the last year and half as a Senior Manager for Accounting. Ashley grew up in a very caring environment in the Bay Area where her family owned her own business. Her parents did everything to ensure that Ashley and her sisters could succeed, which allowed for Ashley to go to UCSB studying Business and Accounting. She graduated during 2007, which was when the Enron financial crisis happened, which shaped her approach to her career. Ashley joined rotary to use what she has learned to help impact and shape her community for the better.

Guest Speaker: Dean Noble from the Santa Barbara Zoo

Our guest speaker this week was Dean Noble from the Santa Barbara. Dean has worked for the Zoo for the past 12 years working as the Director of Marketing for the zoo. Dean discussed the various conservation efforts the Zoo helps manage, such as the channel island fox, the snowy plover, and the California Condor. Santa Barbara is located in a global biodiversity hotspot and we have species here that are not located anywhere else. The zoo has been working hard to help reintroduce some of these rare species, and so far that have been very successful. Be sure to support our local zoo and all of the wonderful conservation programs that they run!
