Guest Speaker- Kerri Burns- SB Humane Society

Kerri Burns, the Executive Director of the Santa Barbara Humane Society spoke today on all of the wonderful work being done at the Santa Barbara Humane Society. Kerri joined the staff in February, after working as a police officer and with Petsmart Charities. After doing animal search and rescue during 9/11 and after Hurricane Katrina, Kerri worked with FEMA to write new laws on how animals are to be treated in natural disasters, so that they can

get the care and treatment that they deserve. The SB Humane society takes in animals who are homeless, provides basic medical treatment, works on educating the public, and provides services for animals to people who would otherwise not be able to afford it. During the recent fire in Malibu, the SB humane society brought in animals from local Malibu shelters so that those shelters would have space to care for lost or burned animals. Currently, the Humane

society is looking to merge with 9 other local animal nonprofits in order to more effectively support local communities. Stop by their current campus and ask about their new plans for a state-of-the-art campus that will be a one-stop shop for all animal needs. Thank you for coming by Kerri- we are so grateful for all of the work you do in our community!

Is it the Truth?

Is it Fair to all concerned?

Will it build Goodwill and better Friendships?

Will it be Beneficial to all concerned?
