## Club and District News

- Sally needs everyone to give her your birth years! The system defaults anyone to 70 years old if they don't give an age- make sure you put a number down!
- Denise Forester is resigning and will now become an honorary member of Rotary Club of Goleta. That puts us at 42 active members and 2 honorary members!
- Keep Paul Clayton in your thoughts- he unfortunately couldn't be with us today due to a detached retina! We hope you can recover soon!

## Guest Speaker- SEE International

---

Since 1974, SEE International has provide free services and access to quality eye care and providing sight to thousands of people. Blindness is an underlying cause of poverty in developing countries, so not only is SEE International providing sight for a person, but they are also impacting and restoring communities and homes. SEE International operates in over 46 countries and in 2017 alone they performed 26,000 sight-restoring surgeries.

SEE International is expected to grow over 1,000% within the next year, with their goal aiming to restoring sight in over 40,000 people. SEE international performs more than 215 programs every year and with their higher goal that number will undoubtedly grown.

Our Goleta Rotary Club has partnered with SEE International over 8 times, and has helped restored 700 sights.

We ended our trip a tour of SEE International's facilities and cataract surgery training area. Please see the attached photos!

## THE ROTARY FOUR-WAY TEST

Is it the Truth?

Is it Fair to all concerned?

Will it build Goodwill and better Friendships?

Will it be Beneficial to all concerned?
