SUBJECT: Rotary Awards American Legion Riders Chapter 711

President Mike:

American Legion Riders Chapter 711 gets involved in American Legion programs and Community projects in the Kern River Valley. They have come to the aid of the Rotary Club of Kern River Valley several times. They helped make our new Lake Isabella Christmas Parade Pancake Breakfast a success last November.

The Rotary Club of Kern River Valley is contracted with the Community Action Partnership of Kern (CAPK.org) to distribute USDA Commodities & State Emergency Drought Food boxes to needy, low-income households in Lake Isabella once a month on a Monday.

American Legion Riders Chapter 711 has helped twice with this important resource to the hungry in the Kern River Valley.

Rotary Club of Kern River Valley recently voted to name the American Legion Riders Chapter 711 as the **"Most Helpful Organization in the Kern River Valley."**

We propose hosting a BBQ at the Kern Valley Airport for American Legion Riders Chapter 711. We'd host each member (and spouse) at this BBQ. Our members would cook and serve hot dogs and hamburgers.

Hopefully, you can give us a SUNDAY from 4 to 6pm in June, so we can plan & host the BBQ.

If your club wishes, it could continue to help us with the USDA Commodities once a month and we'd list your club as a co-sponsor. The next time is Monday, April 25, 2016.

Sincerely,

Rotary KRV President, 2015/2016
