Through **PolioPlus**, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. Rotary's **ENDPOLIONOW** campaign promotes public awareness and fundraising for the program. The Bill & Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support **PolioPlus**, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.

THE ROTARY EFFECT

Join us to take action
in communities, like yours,
around the world.

WE ARE ROTARY

Rotary brings together people like you — from all walks of life — who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good — and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members in 34,000 clubs worldwide, our global community's impact has never been greater — and it continues to grow.

MAKE A DIFFERENCE

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.

OUR CLUB

Our club gives you an opportunity to join leaders to take action on important issues affecting our community, our nation, and the world. We also have a lot of fun — whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly breakfast meetings and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

Our emphasis is on local Community Service projects and supporting local schools & graduating students.

During the harvest season, we organize gleaning of local potato fields to help feed the hungry. We work with CAPK.org and local groups to help feed local low income individuals and families.

My experience with our club has been truly valuable. I've made lifelong friends and important connections that have helped me succeed in my business.

— Paul Cromwell

OUR CURRENT PROJECTS

Our club is committed to making a difference locally. In response to an urgent need, we are focused on projects that help eliminate hunger in our community. We pride ourselves on involving and assisting local students.

We partner with local organizations to maximize our impact and expand our reach. By supporting these organizations, we help ensure that men, women, and children in our neighborhoods have access to the nutrition that they need.
