The Matilija Jr. High School Outdoor Pavilion is almost complete thanks to the generous support of donors and community members!

We are now offering the opportunity to leave a legacy with an engraved walkway brick, a wonderful way to be remembered or to acknowledge a special time or person.

The bricks are engraved using state of the art laser technology, ensuring long lasting strength and durability.

Brick orders must be received by October 9, 2017 for Fall 2017 completion ~ In Ojai's "Centennial" year!
