

2022 Community Grant Application

The Rotary Club of Ojai supports local non-profit and public educational organizations by providing Community Grants to help fund specific programs or projects. Applicants must demonstrate that the proposed project will achieve results of measurable benefit for the Ojai Valley Community. This year's focus will be on community-building projects in the Ojai Valley. The Rotary Club of Ojai seeks to help revitalize our community: much has been "on pause" during the Covid epidemic. How would the proposed project serve and increase a sense of community in the Ojai Valley? Return completed application to ojairotarygrants@gmail.com by March 5, 2022.
