**** In order for your club to participate in the District Awards, your club must have participated in the Impact Reporting for your projects, volunteer hours, giving, etc. throughout the Rotary year (July 1, 2022 – June 30, 2023). Impact Reporting: <https://f8s.co/28cu> or scan:**

- 1) The following worksheets enable you to track your club's achievements. Successful award winners have a proactive Awards Chair that update their copy of the worksheets with the club's achievements throughout the year.
 - a) The first eight worksheets have the Category Award criteria. The last three worksheets have the Medal Award criteria (Bronze, Silver, and Gold.)
 - b) Unless otherwise stated in the criterion, completion of each of the criteria counts as one point. Get as many points as you can – the more you earn the better chance your club has for an award.
 - c) Total the number of points for the criteria at the bottom of each worksheet in the space provided.
 - d) The Medal Award worksheets have additional instructions at the top of those worksheets for those awards.
- 2) Awards are based on club activities completed between July 1, 2022, and May 13, 2023. However, clubs may count projects and activities scheduled to be completed between May 14 and June 30, 2023.
