

THE ROTARY CLUB OF SIMI VALLEY

Volume 1, Issues 32

March 14, 2017

SPRING TIME IS HERE—AND SO IS ALLERGY SEASON

Got Allergies?

First comes the rain, then the flowers, followed by lots of sneezing. And, for the Good Doctor aka The Emperor that means an influx of patients suffering from allergies. Allergy Avoidance—this week's *Health for Self* tip. Allergies erupt when allergen triggers allergy cascade. What should you avoid? Dust mites—they absorb humidity and live on skin particles; to mitigate dust mites try reducing humidity in your home with dehumidifiers.

Unfortunately pets can flare up your allergies—if you can, keep pets outdoors and vacuum and clean often (call The Maids). And, lastly—pollen—it's everywhere; in trees, grass and weeds; try closing your windows, use the fan or air conditioner to filter the air, showering to remove allergens from hair and skin and use a saline spray to wash allergens from the nasal lining. In closing the Good Doctor said if you avoid allergens ... you can avoid a visit to him and his blue latex glove.

And the Rotarian of the Month for March is ... Sharon Lorkowski for all she does for Youth Services as co-chair. She oversees the Royal Interact Club and works with the students on events, such as the Bike Assembly Night, RYLA, FAYM and 4th of July. Bravo to Sharon for a job well done!

There's a New Top Cop in Town ... Congratulations to our very own **David Livingstone**, named the new Police Chief for Simi Valley. The club honored David with a special chocolate cake and a very well deserved standing ovation. David commented that he is honored to be in the club and is looking forward to creating excellence in the Police Department. Bravo to David for his great leadership.

Rotary Foundation—Did You Know? The Rotary Foundation was started with \$26.50 in 1916. The Foundation has just under a billion dollars. The first Rotary grant was given in 1930 to fund public toilets in Chicago. In our club Rat Fink fines go to the Rotary Foundation, however members may also donate funds to the club's Charitable Foundation (Rotary Club of Simi Valley Charitable Foundation). Reminder—April 20 is Paul Harris Night, see **Allan** if you have PHFs to award.

Please keep Kelly Gaines in your thoughts and prayers as she recovers from her recent surgery. She would love to hear from you. Details to come regarding a meal wagon for Kelly and her family.
