

You can enjoy making our community better!

How?

Join!

The Community Service Corp (CSC) of the Rotary Club of Solvang

The Community Service Corps is a service of the Rotary Club of Solvang, not only for club members, but for any resident of the Santa Ynez Valley who would like to make a difference by improving life here.

You probably lead a very busy life – all sorts of time commitments. But, you occasionally have some free time and would like to use it to make a difference serving your community.

The CSC can link you with one-time, occasional opportunities for serving your community. You can join others who see ways to strengthen our community, and through joining together, make it better, whether it is through maintaining Sunny Fields Park, serving BBQ at SYV Airport Days, picking up litter, delivering meals to seniors, traffic control for special events, preparing food for people with food insecurities, volunteering at the PHP Polo Classic, or in many other ways. **Enjoy the camaraderie of serving together with your friends and neighbors!**

The Community Service Corps Coordinator receives requests from local community-focused organizations for people to help with community events and filling special needs. An email or text message is sent to everyone in the corps who has expressed interest in providing such help. Those people interested in and available to help, need to reply. They are then confirmed (first-come, first served) for the assignment. After completing the assignment, they should provide the Community Service Corps Coordinator with feedback on how it went.

In July of each year there will be a special picnic honoring those who have completed 5+ assignments during the Rotary Year (July through June).

To join the CSC, please complete the CSC Application and return it to:

CSCcoord@solvangrotary.com, or mail it to CSC Coordinator, Solvang Rotary Club, PO Box 636, Solvang, CA 93464.
