Capital Improvements at Ventura College

Today's speakers, Spencer Resnick and Mike Sander, are members of the Ventura County Civil Grand Jury and will describe their mission to serve the citizens of Ventura County. They will explain the difference between criminal and civil grand juries; explore its purpose, jurisdiction, organization, and operations; and discuss how investigations are conducted and documented in reports that are released to the public.

Spencer Resnick is a second-year Grand Juror currently serving as the group's treasurer. He is a

former investigations officer for the IRS and Defense Department, as well as performing program-management functions for Hughes Aircraft for 21 years.

Mike Sander is a first-year Grand Juror currently heading up our Detention Facilities Subcommittee. He spent 49 years at Caltech's Jet Propulsion Laboratory in Pasadena and NASA Headquarters in Washington DC in many roles starting with the Mariner 64 mission to Mars and ending as the first project manager for the Mars Science Laboratory/Curiosity rover project now exploring Mt. Sharp on Mars.

1981-82 Club President Paul Gundelfinger Passes

Paul Dell Gundelfinger, 86, passed away peacefully at his home in Camarillo, California, on Friday, February 20, 2015.

Paul was born in Hastings, Nebraska on November 20, 1928 to Marion and Roy Gundelfinger. Shortly after his birth, the family moved to California and settled in Long Beach. Paul graduated from Long Beach Polytechnic High School in 1946 and worked various jobs until he was drafted in the U.S. Army in 1950.

Paul proudly served his country during the Korean War and was honorably discharged in 1952. He returned to Long Beach where JoAnn Long, a pretty blond with very long legs, was waiting for him. They were married on August 8, 1953, and were wed nearly 25 years until JoAnn's death in 1977.

Paul was a loyal Trojan, having graduated from USC in 1960 with a Bachelor of Science in Petroleum

Engineering. He worked for Tidewater Oil Company as a roughneck. Tidewater later merged with Getty Oil Company and Paul worked his way up the ranks, retiring as General Manager of the Neutral Zone in Kuwait in 1985. During

his 25-year career with Getty Oil Company, Paul was not only a respected manager, but he embraced the motto, "Service above self." Paul was proud to serve the community of Ventura as President of Rotary Club of Ventura. In addition he was active in the Ventura Chamber of Commerce, Ventura County Economic Development Assoc., Ventura County Taxpayer's Assoc., and the United Way. His membership in the Rest & Aspiration Society

Continued on last page.

Meeting Recap of February 18

The meeting began with Norm Blacher reporting on Hoot Bennet, who health seems to be improving. Norm then offered a personal thought on the world situation and hoped that Rotary would somehow become involved to help foster peace and understanding. Clyde Reynolds, Staci Johnson and RoseAnn Hill followed with 'America the Beautiful.'

Hutch Hutchinson alluded to recent attacks on polio field workers in Pakistan and yet the eradication effort continues unabated. He then presented Paul Harris Fellowships to Wayne Bruce and John Johnson.

Curtis Cormane conducted fining based on "Are you smarter than a first-year Ventura College student?" Kevin Clerici, for his Rotary Moment, recalled his Rotary GSE team visit to Bangladesh

Dale Jaedtke asked club members to help find Ventura Rotaract a new meeting location. The club meets every first and third Mondays from 6:30 to 7:30 p.m.

Program

Norbert Tan introduced the program speaker, Dr. Greg Gillespie, the president of Ventura College. Dr. Gillespie gave us an update on the capital improvements at the college made possible by the Measure S Facilities bond approved by voters in 2001. Ventura College received a total of over \$117 million.

New construction projects include the Learning Resource Center (2004) which houses the main library, computer stations and faculty offices; the Health Science Center (2011); two large general classroom buildings. MCE and MCW (2011) and the Applied Science Center, under construction. Major renovations were also carried out on the Performing Arts Center, athletic facilities, including the stadium, the welding and automotive facilities, the arts department and the student services center.

Improved student access was at the center of all

improvements. This included using updated relevant technology and equipment, increased access to student computers and the latest classroom and labs.

Norbert Tan introduce the guest speaker.

Guest speaker Dr. Greg Gillespie reports on the Measure S bond money.

Norm Blacher told us about a visit with Hoot Bennett.

Hutch Hutchinson congratulates our latest Multiple PHF recipients, Wayne Bruce and John Johnson.

Dale Jaedtke makes an appeal on behalf of the Ventura Rotaract Club.

Prez Rob vanNieuwburg helps Sandra Laby auction off concert tickets.

Kevin Clerici shares his experiences in Bangladesh for his Rotary Moment.

Curtis Cormane fines on architecture.

Continued from first page.

was something he revered. He was also active in the American Institute of Mining, Metallurgical and Petroleum Engineers, and the American Petroleum Institute.

Paul was an automobile enthusiast and a member of Tri-County Mustang Club, proudly showing his yellow 1970 Mustang convertible in car shows and parades. He was a USC football fan. Fight on! Paul spent many weekdays on the links at San Buenaventura Golf Course with the R&A group.

In 1979, Paul met and married JoAnn Fields who survives him. He was extremely proud of his daughters, Karen Gundelfinger of Camarillo, CA, and Susan (Eric) Naslund of San Diego, CA. Paul was also honored to be stepfather to CSM Christopher

(Debbie) Fields, RET of Clarksville, TN and John (Jennifer) Fields of Ventura, CA. Paul adored his grandchildren, Matthew, Andrew, Gavin, Gabriel, Emily, Hunter, Phoebe and Chloe.

A tune, ditty, pun or limerick was never far from Paul's lips, and he often made us laugh with his "Paul-isms." So, we won't bid him goodbye. Instead, we will simply say, "Take your time goin', but hurry comin' back!"

A celebration of Paul's life will be at Ted Mayr Funeral Home, 3150 Loma Vista Road, Ventura, on Saturday, February 28 at 10:00 a.m. Paul will be interred at Ivy Lawn Cemetery in Ventura, California. Memorial donations may be made to Alzheimer's Research or Operation Restored Warrior.

On 23 February 1905, Paul Harris and three friends gathered for what would become known as the first Rotary club meeting. Harris's desire for camaraderie among business associates grew into an international network of 1.2 million volunteers who work to improve health, alleviate poverty, and promote peace.
