P O BOX 2100
VENTURA CA 93002-2100

The Julius Gius Memorial Rotary Foundation (JGMF) is now accepting grant applications. The grant application period runs from February 1, 2012, to February 29, 2012. Applicants will be reviewed during March with successful applicants notified and grants disbursed by the last day of April.

Grants must be sponsored by a member of the Rotary Club of Ventura. The applicant must be a non-profit, 501(c)(3) entity.

Considerations for successful grants include the following:

- a. Mission with a strong focus on our west county, in particular west Ventura.
- b. Projects with benefits which would include a wide number of clients.
- c. Grants will have a life beyond our contribution, such as capital campaigns or endowments.
- d. Projects which would offer exposure of the Rotary Club of Ventura.
- e. Initiatives which would lend themselves to matching or challenge opportunities which would leverage our donations.

International grant requests shall be referred to the International Avenue of Service Chair for the Rotary Club of Ventura.

Mail your grant to the address above or submit it in person to JGMF President Curtis Cormane or JGMF Secretary Larry Emrich.

Thank you.
