Since our last "speed dating" program in the Spring was such a success, last week's program once again gave clubmembers a great chance to get to know each other better. Each pairing lasted a few minutes before members "rotated" down the line.

And if you missed last month's Step Down Dinner at the new downtown venue Palomino, we had a great time celebrating last year's co-presidents — Saurabh Bajaj, Indy Batra and Connie Young — who did a great job of sharing the gavel over the past 12 months.

We also celebrated our incoming president RoseAnn Hill and her newly appointed board of directors.
