Last week marked the first meeting with Saraubh Bajaj as our club's new president, and to shake things up his first program – Stories Behind The Badge – was a speed-dating-style mixer where every Rotarian had a few minutes to get to know each other before moving down the line to the next club member. It was a great way to get to know each other!

Today March 11th, our program will be the Port of Hueneme, which handles 2.4 million metric tons of cargo annually, including 5 BILLION bananas each and every year. We hope you can join us!
