

ROTARIANS AT WORK!

Ventura Rotarians gathered last Saturday, April 27th, in honor of Rotarians at Work Day, to break ground at the Phenology Garden located at the Veterans Home of Ventura County over in Saticoy. Thanks for your hard work on a beautiful day and especially to Scott Patterson for organizing the effort.

ROTARIANS AT PLAY!

In what has become an annual event, Ventura Rotarians, Rotaractors and Interactors attend a Dodgers Game. Most of the teens had never attended a game before. Thanks to Mario de la Piedra for organizing this fun event!
