OFFSITE TODAY ... 20 NORTH OAK STREET ... OFFSITE TODAY ...

In case you missed last week, our program highlighted the scholarship recipients for Rotary's Perspectives on Peace program for college-bound high school students. VUSD's superintendent Dr. Antonio Castro joined us in celebrating artists Natalie Jones (CLU), Yaretzi Garay (VC), Emilia Linder (UC Davis), Jonathan Kelley (UCLA) and Melany Jacobo (SBCC).

If you can join us today, we'll be offsite — not at the Poinsettia Pavillion — but rather downtown on Oak Street for a pre-opening tour of the new Welcome Room slated to open early in 2027. This new Live Comedy venue plans to bring stand-up back to Ventura in a meaningful way. Afterwards, we'll be walking to Rice By Mama for fellowship & lunch!

Thank You Rotary Volunteers!

Our Epic Day of Service at the new headquarters for **Ventura Land Trust** was a great opportunity for service, fellowship and fun.
