ADULT LITERACY AND TRIVIA CHALLENGE

Adult literacy is a problem that undermines the self-esteem and confidence of many in our community. The ability to read, write, and understand the English language is vital to economic and social success.

This event helps to fund the literacy programs of the Ventura County Library. Funds raised help to provide:

- Free one-to-one tutoring
- Free books
- Special programs for dyslexic adults
- Computer-assisted instruction
- Second language reading instruction
- Family literacy activities

Volunteers receive:

- Free training
- Support from professional staff
- Opportunities for personal growth
- The opportunity to make a difference in someone's life

Proceeds donated to the Adult Literacy Program are posted directly to book purchases and are not subject to administrative charges.

For additional information about the Adult Literacy Program, or to learn how you can become a program volunteer, please call: (805) 677-7160.

Please join us in support of the community service projects of the Ventura South Rotary Club.

If you don't wish to be a team member but would like to cheer for your favorite team (or just watch), please join us for drinks and hors d'oeuvres at 6:00 p.m. Cocktails and soft drinks may be purchased at the bar throughout the evening. Admission for spectators is \$10.00, which includes hors d'oeuvres. (All contributions will be gratefully accepted.)

Note that "Spectator Admission" allows you to compete with your fellow spectators for the "Audience Championship". (Winner receives a handsome plaque.)

Reservations and/or donations can be mailed to: **VENTURA SOUTH ROTARY CLUB - TRIVIA CHALLENGE / P.O. Box 6383 / Ventura, CA 93006**

The Rotary Club of Ventura South presents the 30th Annual

Trivia Challenge

Wednesday, November 7, 2018 at 6:00 p.m.
The Tower Club - 300 East Esplanade Drive, Oxnard

Since 1984 the Ventura County Library Adult Literacy Program has helped thousands of Ventura County adults achieve personal literacy goals such as passing GED tests, U.S. citizenship, and gainful employment. The program has been recognized as one of the top community based literacy programs in California.

Rotary is an organization of business and professional men and women united worldwide to provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill around the world. The Rotary Club of Ventura South is dedicated to the cause of literacy. We are proud to sponsor this event to better the lives of those in our community.

What is the Trivia Challenge and How Can I Participate?

The Trivia Challenge is a general knowledge game similar to the television show Jeopardy. Teams of three members are asked a question and have 30 seconds to write down their answer. Teams that answer correctly are awarded a point and the teams with the most points win. Winning teams receive community recognition and a trophy. The evening is designed to be fun and educational. Teams are placed into categories. The categories are Youth (under 25), Service Club (Rotary, Kiwanis, etc.), Business, and Community (at large).

Entry fees are \$375* per team. Individuals can pay \$125* and will be placed on a team or teamed up with other individuals. Businesses and individuals are welcome to sponsor teams and will be recognized on the evening's program. Sponsorships can be whole team or partial team. All fees are tax deductible (*Ventura-South Rotary Foundation - Federal Tax I.D. #77-0310748*).
