ROTARY FOUNDATION AND PROGRAMS

In 1917, an endowment was set up "for the purpose of doing good in the world." In 1928, it was renamed **The Rotary Foundation**, becoming a distinct entity within Rotary International.

1929: the Foundation made its first gift of \$500 to the International Society for Crippled Children, later growing into **Easter Seals**.

1947: the **Paul Harris Memorial Fund** was created to build the Foundation.

1947: The Foundation

established its first program, Fellowships for Advance Study, later known as **Ambassadorial Scholarships**.

1965-66: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called **Matching Grants**.

1978: **Health, Hunger and Humanity (3-H) Grants**. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: **PolioPlus** program was launched to eradicate polio worldwide.

1987-88: The first peace forums were held, leading to **Rotary Peace Fellowships**.

2013: New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of **\$26.50** in 1917, the Foundation has received contributions totaling more than **\$1 billion**.

At the 1917 convention, RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world."

JOKE O' DA WEEK

A rich couple was going out for the evening. The lady of the house decided to give the butler, Throckmorton, the night off.

She said they would be home very late and he should just enjoy his evening.

As it turned out, the wife didn't have a good time at the party, so she came

home early. She walked into the house and eyed Throckmorton sitting alone in the dining room. She called for him to follow her. She led him to the master bedroom. She closed and locked the door. She looked at him and smiled.

"Throckmorton. Take off my dress." He did so, carefully.

"Throckmorton. Take off my stockings and garter." He silently obeyed her.

"Throckmorton. Remove my bra and panties." The tension mounted as he complied.

Finally she looked at him and said, "Throckmorton. If I ever catch you wearing my clothes again, you're fired."

Vewry interesting!

NOVEMBER ANNIVERSARIES

We have no November Anniversaries.

Chris Santiago reports that he has completed Vocational Fund training sponsored by PARC and is now employed as a Phlebotomist.

Founded in 1988, the **Phoenix Arcadia Rotary Club** has a strong tradition of serving the community, state, and the world. Our primary areas of service have been youth health and education, and international projects to improve the quality of life in less prosperous countries. Hands-on work, fellowship and fund-raising have been the hallmarks of Phoenix Arcadia Rotary for over 25 years. Besides the Rotary International slogan "*Service Above Self*", our club's slogan is... "*Our Children, Our Future*".

Our gatherings promote community service and fun with new friends as we enjoy this Rotary experience. Please, come see what it is all about. *You might find yourself enjoying a whole new experience. We can't wait to meet you!*

50 THINGS EVERY ROTARIAN SHOULD KNOW

Steve Garret, 5300 District Governor 1994-1995 presented "50 Things Every Rotarian Should Know About Rotary". We shall endeavor to present one a week during the next year.

#12 - WORLD UNDERSTANDING MONTH

The month of February is very special in the Rotary calendar since it is designated World Understanding Month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day.

In designating World Understanding Month, the Rotary International board asks all Rotary clubs to plan programs for their weekly meeting and undertake special activities to emphasize "understanding and goodwill as essential for world peace."

To observe this designated month, many clubs arrange international speakers, invite youth exchange students and international scholars from schools and universities to club meetings, plan programs featuring former Group Study Exchange team members, arrange discussions on international issues, present entertainment with an international cultural or artistic theme and schedule other programs with an international emphasis.

Many clubs take the opportunity to launch an international community service activity or make contact with a Rotary club in another country is a good month to initiate a Rotary Fellowship Exchange, a 3-H project or encourage support for Polio Plus and other Rotary Foundation programs.

World Understanding Month is a chance for every club to pause, plan and promote the Fourth Avenue of Service-Rotary's continued quest for goodwill, peace and understanding among people of the world.
