JOKE O' DA WEEK

A woman was sipping on a glass of wine, while sitting on the patio with her husband, and she says, "I love you so much, I don't know how I could ever live without you."

Her husband asks, "Is that you, or the wine talking?" She replies, "It's me ...talking to the wine."

Well, yeah!

Founded in 1988, the Phoenix Arcadia Rotary Club has a strong tradition of serving the community, state, and the world. Our primary areas of service have been youth health and education, and international projects to improve the quality of life in less prosperous countries. Hands-on work, fellowship and fund-raising have been the hallmarks of Phoenix Arcadia Rotary for over 25 years. Besides the Rotary International slogan "Service Above Self", our club's slogan is... "Our Children, Our Future".

Our gatherings promote community service and fun with new friends as we enjoy this Rotary experience. Please, come see what it is all about. *You might find yourself enjoy-*

THE FOUR-WAY TEST

Of the things we say and do:

- I. Is it the truth?
- 2. Is it fair to all concerned?
- 3. Will it build goodwill and better friendships?
- 4. Will it be beneficial to all concerned?

50 THINGS EVERY ROTARIAN SHOULD KNOW

Steve Garret, 5300 District Governor 1994-1995 presented "50 Things Every Rotarian Should Know About Rotary". We shall endeavor to present one a week during the next year.

#2- THE OFFICIAL ROTARY FLAG

An official flag was formally adopted by Rotary International at the 1929 Convention in Dallas, Texas. The Rotary flag consists of a white field with the official wheel emblem emblazoned in gold in the center of the field The four depressed spaces on the rim of the Rotary wheel are colored royal blue. The words "Rotary" and "International' printed at the top and bottom depressions on the wheel rim are also gold. The shaft in the hub and the key way of the wheel are white.

The first official Rotary flag reportedly was flown in Kansas City Missouri, in January 1915. In 1922 a small Rotary flag was carried over the South Pole by Admiral Richard Byrd, a member of the Winchester, Virginia Rotary Club. Four years later, the admiral carried a Rotary flag in his expedition to the North Pole.

Some Rotary clubs use the official Rotary flag as a banner at club meetings. In these instances it is appropriate to print the words "Rotary Club" above the wheel symbol, and the name of the city, state or nation below the emblem. The Rotary flag is always prominently displayed at the World Headquarters as well as at all conventions and official events of Rotary International.
