

The School of St Jude

FIGHTING POVERTY THROUGH EDUCATION

Hi Everyone,

Kim is looking forward to being in Adelaide this month and catching up with you, our great St Jude's supporters and your families and friends.

Kim has so much to tell you about - progress, plans and celebrations, including our first Form 6 graduation! We both still remember them as shy little tots entering the school gates for the first time all those years ago.

In three months they will start a Community Service Year, during which they will show their gratitude for all the kindness, generosity and support from all our sponsors and donors by taking their knowledge and skills out into the community to help those less fortunate before heading off to university in 2016.
