THE GATEWAY NEWSLETTER APRIL 19, 1990

THIS EDITION of the Gateway is being guest-authored by a club member who produced this noteworthy publication for a full year in about 1985. His identity will remain a secret, for obvious reasons.

PRESIDENT DAVE gavelled the meeting to order and welcomed the visiting students from SIT. The program included short talks by three of our visitors, and long talks by several of our members. As always, the exchange was of great benefit to many of us, and we appreciate the participation of the club in this quarterly program.

BIRTHDAY BOY TOM FEGLEY took his birthday immunity to heart, and presented President Dave with the inspiration for his chocolate shop's prime product, the Vermont Cow Pie. The "before and after" presentations featured an original cow pie and a chocolate version. (Don't lose track of this...you have not heard the last about cow pies).

REMINDERS: The BMAC cleanup project continues on Saturday the 28th. The club meeting of 5/3 will be at the firehouse, and you can park at the old Grossman building on Flat street. The 5/17 meeting will be in the evening, and will be a celebration of our club's fortieth anniversary.

TURN IN MONEY for the Polio Plus play! The club has already paid for these tickets, and your \$48 should be in Jesse's hands no later than next Thursday. Thank you from the committee!

POSTINGS FOR NEW MEMBERS: Donna Campbell, Investment Advisor, proposed by Ed Richards, member Palm Springs CA club. Bill Ellis, education administration, proposed by Jack Burgess and Bruce Campbell. Mara Williams, Museum Director, proposed by Greg Worden. Any objections must be submitted to the president in writing in accordance with the club bylaws.

MAKEUPS: Dave Parker, Tokyo. Dick Nelson, WRJ. Jeff Boyd and Dave Winslow, Keene.

GATEWAY NOTES MEETING OF 6-15-89

After Art Greenbaum opened the session with a prayer of gratitude for the bountiful Spring rain and a petition to the Almighty for a break from it, we all raised our voices [such that they are] to "All Hail to Rotary" and "Wait till the sun shines Nelly". Of course since nobody answered to the name of "Nelly" we could all have lunch immediately and the sun itself waited until Saturday to shine. Birthdays; Don Webster, Jenifer Ambler, and Roger Miller.

A few fines and brags ensued: Jim Todd got socked for concentration lapse, giving out an extra lunch ticket; Roger Miller was fined for lateness even though a birthday boy; because he had not been announced when arriving late. Phil Steckler happily paid up for talking business as he introduced a couple of Rotarians as "shady characters" to an unsuspecting guest. New member Jenifer Ambler read off names of those guilty of forgetting to sign her manual for a few more bucks to the general fund. Finally an entire table paid for talking through presentations.

Announcements:

Jim Todd warned us all that in the future anyone attending, must pay for lunch whether eating or not. Art Greenbaum announced a finish-up work session on the park band stand project; Tony B. recited to us "how to make a salad" for the "changeover" picnic which, incidentally, is the evening of June 29th at the B-K Aqua club on route 9A Spofford Lake, East of Spofford Hall, just before the golf course. President Richard informed us that although 13,000 women joined Rotary International last year we still lost 5 male members in Brattleboro. Unbelievable! We also learned that clubs were opened in Hungary and Poland.

Events:

The recipients of Gateway scholarships were introduced, each giving a brief description of future plans. Morris Edmunds just back from a 45th anniversary of D-day in France, gave us a talk on his part in the invasion. Our Program was an illustrated talk by Jeanne Keller on the work and statistical findings of Health Alliance, an organization seeking to help control health costs in Vermont.

Guests; Andrea Houle, Mahita Mishra, Deborah Towne, Alison Potter, Noah Pursey, Heather Henry, and Rick Sherwin.
U/R's: David Goddard - Bennington, Chip Fairbanks - Keene.

Absent: Bedard, Bellstrom, Bronson, Brower, Campbell, Collins, Dennen, Donahue, Evans, Fish, Gale, Gould, Logcher, Mann, Peters, Randall, Richards, Riga, Weber, Weigand.

THE WEEKLY NEWSLETTER OF THE BRATTLEBORO ROTARY CLUB

APRIL 11, 1991

JLH

The April 11th meeting of the Brattleboro Rotary club started with a prayer by Dave U. and some singing. Because President Phil and President Elect Art were not available for today's meeting, therefore, we had two past president's (Richard M. and Dave U.) run the meeting for the day. Because each thought the other was in charge, no one was in charge and the meeting was very disorganized even more than usual.

FINES AND BRAGS:

Margee G. fined Rich H. for not having this book for the members to sign, but because Rich was able to recite the "Four Way Test" the fine did not pass. Everyone felt this was a club record and a goal for all new members to achieve. Margee then fined Rich for being a tattle tale. Ben L. fined Charlie M. just because the meeting was too quiet but he with drew the fine when he found out that Mara W. would brag a \$1.00 if Charlie would keep quiet for the whole meeting. There was some talk about when this \$1.00 should be paid and it was held for a while but as soon as it was paid Tony B. fined Charlie, but if failed for the lack of a second. Hugh B. bragged \$2.00 for his table and how quiet it was. Richard M. bragged for himself and hoped he would not have to try to run any more Rotary meetings.

ANNOUNCEMENTS:

Charlie M. spoke about the upcoming "Spouses" evening to be held at the Quality Inn on May 23 with Cocktails at 6:00pm and Dinner at 6:45pm. There will be music provided

by the BUHS Jazz Ensemble. Our meeting of May 2nd will be at the Senior Center in the Gibson-Aiken Center on Main St. in Brattleboro. Greg W. announced that pledges can be paid for the Bg/Brother Bg/Sister Bowl-a-Thon up until 4/26.
