MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

As we move toward the final stretch of my presidency, I find myself reflecting on just how quickly this Rotary year has flown by. It feels like just yesterday we were kicking things off, and now we're already approaching the finish line - what an incredible journey it's been.

I'm especially proud that we're closing out the year with such strong momentum. Our upcoming Blooms, Brews & BBQs event, led by Chris Ray and Bill Klubben, is shaping up to be a fantastic celebration of community, collaboration, and fun.

At the same time our community service project, led by Jim Sherman, is a powerful reminder of why we do what we do - serving others and making a meaningful impact right here in Gilford.

These efforts truly embody the spirit of this year's Rotary International theme for 2026 - creating lasting impact through service, connection, and shared purpose. They showcase the very best of our club: people stepping up, working together, and making a difference.

Thank you all for your energy, commitment, and passion throughout this year. Let's finish strong and continue to build on the incredible foundation we've created together.

Yours in Rotary,

CHRIS
