

End 68 Hours of HungerSM

"The test of the morality of a society is what it does for its children."

—Dietrich Bonhoeffer

Ending Childhood Hunger in America, One School at a Time!

Mission: To meet the needs of those local school children who confront approximately 68 hours of hunger between the free lunch they receive in school on Friday afternoon, and the free breakfast they receive in school on Monday morning.

If you have or know of a child who can benefit from this program, please get in touch with the guidance office at your local school to get your child signed up for this program! There are no qualifications other than hunger! The program is free, and 100% of every single dollar contributed to *End 68 Hours of Hunger*® goes directly to purchase food (unless otherwise directed) which is packed by volunteers into backpacks or plastic grocery bags and is then delivered to the offices of the participating schools each week. From there, a school employee delivers the bags to the participating students.

Our doors are always open online at:
www.end68hoursofhunger.org

How can I help?

You can help in a number of important ways:

1. You can contribute directly to *End 68 Hours of Hunger*® knowing that 100% of the funds you contribute go directly to meet the food needs of the children.
2. You can talk with your civic organizations, your company, your knitting group, and your bowling team about what we are doing and solicit donations or host fundraisers to benefit the program.
3. You can donate non-perishable food items.
4. You can sponsor a child with a donation of \$40 a month.

If you would like more information or to volunteer your time, please email hollisbrookline@end68hoursofhunger.org

To enroll your child, please contact student services at SAU41 or your school nurse. All inquiries and requests are confidential.
