While our focus is on our goals, it is important to understand the goals established at the District and International levels.

From District Governor Nancy Russell at President Elect Training and her gavel night speech:

- Maintain membership levels
- Make meetings more vibrant
- Ask – do we need to meet so much to be effective?

From the March 2019 Rotarian magazine featuring President Mark Maloney's goals:

1. Growing Rotary
  - Attract new members
  - Engage current members
  - Clubs being more flexible
  - Form new Rotary clubs
2. Design club meetings, service projects and social events so they are family friendly.
3. Change culture, attitudes and the way we do business so that you can be in a leadership position while still engaged in your profession.
4. Focus on Rotary's relationship with the UN.
