What is Rotary?

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32,000 clubs in more than 200 countries and geographical areas.

Why Consider Joining?

Rotary's motto is Service Above Self. The Rotary Club of Londonderry lives this motto by engaging in a wide array of local and international service projects. We divide our time between providing hands-on service to community projects and raising funds to help with a variety of local and international projects. International projects are usually largely funded through Rotary International and the Rotary Foundation.

Rotary Foundation allows us to leverage funds we raise with other funds raised throughout Rotary. Our Rotary District and Rotary International can match each dollar we earmark for a project and in some cases transforms a \$1 donation into a \$3.50 contribution. As a result, each member strives to make an annual donation to the Rotary Foundation as part of his or her commitment to Rotary.

Rotary Foundation also offers many other ways to serve around the world. The Foundation also provides funding for some local and district projects.

Avenues of Service

The Rotary Club of Londonderry's activities are channeled through the four Avenues of Service:

Club Service focuses on strengthening fellowship and ensuring smooth functioning of the Club. Londonderry strives to host lively weekly meetings with plenty of fellowship and quality speakers. Members are required to attend at least 50% of scheduled meetings.

Vocational Service involves members serving others through their professions, aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations and inspire others in the process. Our club sponsors an annual Memorial Day Weekend Car Show that raises funds for several scholarships. We also hold a 4 Way Speech Contest and a Leadership Conference for local high school students.

Community Service is our opportunity to implement projects and activities that improve life in the local community. We demonstrate our commitment through our many service projects. We serve and support the local soup kitchen, the Greater Derry Caregivers, Warm Homes and the Santa Fund. We donate annually to the YMCA, Boys & Girls Club and also dozens of other worthy organizations. Each year we host a Christmas on the Common event to welcome in the holidays. Local youth groups decorate our trees with edible ornaments for the birds and carolers provide entertainment. Santa and Mrs. Claus are there and talk with each child while we serve treats, warm cider and cocoa. We expect all members to make a commitment to be involved in local service initiatives.

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. The Londonderry Rotary is deeply committed to Pure Water for the World.

Londonderry Rotarians volunteer time and financial support to achieve our annual goals in support of many local charitable organizations.

Londonderry Rotary is always looking for new ways to improve our community and the world. We are as proud of our help in supplying Clean Water filters in Honduras, as we are of our local charity work.

Some of our projects are important to an individual like building a ramp so they can continue to live in their home, or giving the largest annual college scholarship to a student at Londonderry High School. Other projects impact the world like the Rotary International Polio Plus Program or Pure Water for the World.

New ideas are encouraged for anything we can do to improve our community and the world. Our fundraising events are ever changing, keeping them fresh and interesting for Rotarians and the community. Volunteers are always welcome and new Rotary members are always needed.
