**Headliner: Mark Riley**

Mark Riley was born and raised in Boston (yes, he can sort of pronounce his "r's") and is one of the most-booked comedians in New England. His high energy and unique perspective on everyday situations combined with his sharp observational humor keeps audiences in stitches. Mark is a co-host for Chirping Zebras, a hockey podcast from the referee's perspective.

**Kyle Crawford**

Born and raised in southern New Hampshire... Kyle has a unique take on everyday occurrences. His quick wit and broad range of subject matter (with a twist) will captivate you from the moment you catch his magnetic stage presence.

**Will Noonan**

Will was named "Boston's Best Comedian" by The Improper Bostonian magazine, is sometimes known as "The Honda Guy" for his job as spokesman in Honda commercials on TV and radio all over New England, and as well as for his fan-favorite role in the Netflix movie The Sleepover.

**Dinner & Dessert Buffet - 50/50 Raffle - Cash Bar
