The Queen City Rotary Foundation (QCRF) is pleased to announce the opening of our 2024 Grant Program.

There are two grant opportunities for interested organizations. Note: An application may be submitted for both, however, if an organization is awarded, they will only receive one grant per year.

- 1) **The “Impact Grant”** – This grant is targeted to organizations whose primary focus is serving the underprivileged youth in the greater Manchester area. It is limited to a maximum of 5 recipients each year. Grants will range from a minimum of \$1000 to a maximum of \$10,000. In the application, please provide an overall description of the organization and a comprehensive description of the project and how the award will be used (suggested 500 words +/-). We will also require a mid-year update on the impact the grant has made for the organization.
- 2) **The “Youth Services Grant”** – This grant supports organizations that have a youth related focus. The maximum award is \$1000. In the application, please provide a three to five sentence overall description of the organization, details of the request, and how the funds will be used. Mid-year follow up will not be required for the Youth Services Grant.

The Queen City Rotary Foundation Grant Committee will review the applications for both award levels and make recommendations to our Board of Directors for final grant approval. This committee includes members serving for multiple years to establish and maintain continuity over time.

Our new application is attached and details the new information and explanations we are requesting to assist with our decision-making process. ***Please send completed forms to [queencityrotaryclub@gmail.com](mailto:queencityrotaryclub@gmail.com) no later than Friday, April 19<sup>th</sup>, 2024.***
