Dear Guidance Counselor:

This year the Raymond Area Rotary Club will be presenting annual scholarships including one \$1,000 "Art Richardson Scholarship" award to a graduating high school senior or post-secondary school student **who resides in one of the following communities: Deerfield, Epping, Candia, Fremont, Nottingham or Raymond.**

The applicant must be a United States citizen who has been or anticipates on being accepted into an accredited post-secondary institution or vocational program within a year of June 2024.

The Rotary scholarships were established to aid deserving students in furthering their education without the burden of demonstrating financial need or limiting the student to a specific institution and area of study.

We need your assistance in identifying and ensuring that every student interested in applying has the opportunity to do so.

We ask that you take the steps to inform students about this opportunity:

1. **Photocopy the enclosed Guidelines and Important Dates form and distribute to all interested students,**
2. **Remind all interested students of the May 1<sup>st</sup>, 2024 application deadline.**
3. **Please post on a school bulletin board or website the enclosed original application, Guidelines/Important Dates form.**

If you have any questions about the application or selection process, please call me at 895-2069 or email me at address below.

Sincerely,

Beverly Beckford
