For over 35 years, the Rutland South Rotary Club has awarded close to \$400,000 to over 400 students. Going forward our club has made the exciting decision to expand the program away from being a strictly scholarship plan to a grant program. Our hope is that we will be able to impact many more people annually when compared to 11 or 12 students per year.

The primary focus of this program is helping to fund projects and activities that benefit the youth of this area. It is anticipated that grants will be between \$1,000 to \$5,000 each. Awards will be made throughout the year and applications will be reviewed on a regular basis.

Sincerely,

Rutland South Rotary
