EDITORIAL

A store owner was tacking a sign above his door that read "Puppies For Sale." Signs like that have a way of attracting children, and sure enough, a little boy appeared under the store owner's sign. "How much are you going to sell the puppies for?" he asked.

The store owner replied, "Anywhere from \$30 to \$50."

The little boy reached in his pocket and pulled out some change. "I have \$10," he said. "Can I please look at them?" The store owner smiled and whistled and out of the kennel came Lady, who ran down the aisle of his store followed by five teeny, tiny balls of fur.

One puppy was lagging considerably behind. Immediately the little boy singled out the lagging, limping puppy and said, "What's wrong with that little dog?" The store owner explained that the veterinarian had examined the little puppy and had discovered it didn't have a hip socket. It would always limp. It would always be lame.

The little boy became excited. "That is the puppy that I want to buy." The store owner said, "No, you don't want to buy that little puppy. If you really want him, I'll just give him to you."

The little boy got quite upset. He looked straight into the store owner's eyes, pointing his finger, and said, "I don't want you to give him to me. That little puppy is worth every bit as much as all the other puppies and I'll pay full price. In fact, I'll give you \$10 now and the balance later."

The store owner countered, "You really don't want to buy this little puppy. He is never going to be able to run and jump and play with you like the other puppies."

To his surprise, the little boy reached down and rolled up his pants to reveal a badly twisted, crippled left leg supported by a big metal brace. He looked up at the store owner and softly replied, "Well, I don't run so well myself, and the little puppy will need someone who understands!"

We ALL need someone who UNDERSTANDS!

To the polio victims, the orphans, the mentally and physically challenged, they need loving and compassionate Rotarians who UNDERSTANDS!

Warmest Regards

PAG Mike Tung

PRESIDENT'S MESSAGE

Community Service is one Avenue of Service of Rotary that clubs perform each year. It involves voluntary work done to benefit the community, be it public or institutional.

Being a voluntary Club, participation in our Community Service gives us a hands-on experience, an experience that tells us that working together creates bonding and better understanding. It is about making a difference in our community.

The Club will, as one of its major community service project, will be bringing children from a few Orphanages to visit *LEGOLAND* in Johore, this coming 23rd September, 2016. Organizing Chairman, Rtn. Steven Ho, has done an outstanding job. We have a total of about 130 orphans from 5 orphanages who will participate in this project. Rotarians and friends too have volunteered support. This project will make a difference to these orphans' life experience. The time and effort contributed by Rtn Steven Ho will surely make the difference.

The support from *LEGOLAND* was beyond our expectations. The management of *LEGOLAND* will sponsor all the entrance tickets worth RM145.00 each, and one free meal for the day. I would like to express my sincere appreciation for their generosity.

The Club and *LEGOLAND* will at the same time be involved with the launch of the *LEGOLAND* Halloween Section. There will be media from Singapore, Japan, Korea, and Malaysia, covering this special event.

I believe that this community service project will give publicity and help promote the positive activities of Rotary work. Our efforts will make a difference to the lives of these orphans, and we look forward to the coming visit. Thank you to all who have worked so hard to ensure the success of this project.
